

## 511 Traveler Information

### 511 Phone

Getting the most up-to-date information in Kansas is as easy as calling 5-1-1. By calling "511" on any phone (wireline and wireless) from anywhere in Kansas you can learn about road conditions, work zones, construction detours and travel weather information for the Kansas turnpike and any Interstate, US, or state highway in Kansas and Nebraska. You can also reach Kansas 511 from anywhere in the U.S. or Puerto Rico by calling 1-866-511-KDOT (5368) if dialing 511 doesn't work from your phone.

- ◆ For more information about the Kansas 511 Phone System, go to <http://www.ksdot.org/offTransInfo/511Info/511phone.asp>

**511 Website** (<http://511.ksdot.org>) – now a part of KanDrive ([www.kandrive.org](http://www.kandrive.org))

This website provides you:

- ◆ A map that shows road conditions and construction/detour information for the Kansas state highway system, including Interstate, U.S. and state highways, and the Kansas Turnpike.
- ◆ Links to:
  - [Closed Roads Report](#) – provides a list of roads closed due to weather (flooding or winter weather conditions), construction/maintenance or incident, and snow and ice road conditions.
  - [511 Travel/Traffic Information](#) provides a page with various travel and traffic information links, including more information about 511.
  - [511 Mobile](#) provides information about how to access travel information on your mobile device.
  - [Weather](#) links directly to weatherforyou.com.
  - [Kansas City Scout](#) links directly to the KC Scout website.
  - [Detour and Construction Activity Map](#) – links to a printable version of this map with a list of Construction alerts and their descriptions.
  - [Nationwide Traffic Information](#) – links directly to the Nationwide Traffic Information website.
  - [Kansas Map](#) – provides a downloadable PDF of the Kansas State Map.
  - [KDOT Internet](#) – links directly to the KDOT Internet home page.
  - [AMBER Alert](#) – links directly to the Kansas AMBER Alert website.

**511 Mobile (<http://511mm.ksdot.org>)**

You may use your mobile device (smart phones, or other mobile Internet access devices) to get a list of closed roads and driving conditions on the state highway system (including Interstate, U.S. and state highways and the Kansas turnpike) as well as map, camera and message sign views and links to weather.

The list of closed roads and driving conditions you will receive includes:

- ◆ Road closures due to weather (flooding or winter weather conditions), construction/maintenance or incident.
- ◆ Snow and ice road conditions.

***No sign-up or subscription is required to get this information.***

**Safety Reminder**

While the 511 website should assist you with pre-trip planning, the 511 phone system and the 511 mobile internet access can assist you with obtaining updated information for en route travel decisions. For everyone's safety, please don't use these resources while you are driving.
